Catering as distinctive as our location.

Imagine your own personal country club for the day. Your every wish fulfilled and every expectation more than just met, but exceeded well beyond your expectations. Your guests treated to the finest in white-gloved service and you, treated like nothing less than royalty. **The Architects Golf Club** sets the stage for a very special occasion with plush rolling hills and a stunning golf course as your backdrop — a breathtaking setting for any social gathering. ~ Whether a wedding, bar mitzvah, cocktail reception, dinner or corporate event, our staff is dedicated to your affair and cares for it as though it were their own. *Deliciously perfect for every occasion,
every budget.*

Our cuisine is nothing short of exceptional, all homemade and prepared on our premises. Our menus offer a vast array of choices to suit virtually every palate. And because this is your day, our chefs will be happy to add your family recipe to the menu. Our tableside tastings also go beyond the ordinary with samplings every Tuesday, Wednesday or Thursday — not just once a month. ~ The cost for such a distinctive affair is surprisingly competitive. We offer comprehensive packages to meet your budgetary requirements without any unexpected add-ons. ~ From an exquisite location to mouthwatering cuisine at an outstanding value, **The Architects Golf Club** is simply perfect for any special occasion.

*A wedding day as special
as you are.*

The day you say “I do” is perhaps one of the most important. **The Architects** staff treats it as such, attending to every detail to ensure you enjoy this day as much as your guests. Our bridal lounges are ideally positioned to set you apart from your guests and make for an intimate pre-celebration. Of course, your reception is certain to be extraordinary with a choice of menus to appeal to every taste. Our Exclusive Menu offers three main courses and a more informal Station Menu presents three displays of mouthwatering cuisine. **The Architects** promises a one-of-a-kind experience as special as the married couple-to-be.

*Bringing friends and family
together beautifully.*

However large or small, **The Architects** offers a get-together that is always well planned.
