

LADIES GOLF SCHOOLS & LESSON PLANS

Welcome back for the 2022 golf season at The Architects Golf Club! As your PGA Teaching Golf Professional, I would like to invite you to find an instructional program to help you with your golf game. Below are some of the programs that I will be offering here at The Architects Golf Club for Ladies for the 2022 season.

To start, we will be featuring a **LADIES GOLF SCHOOL**. The school will consist of 3 sessions, made up of your own group of 3 or 4 ladies. Group members will set the schedule and meeting time that work best for the group. Each session will be 2 hours long and will include instruction on the driving range, putting green and short game area, video-assisted instruction, as well as situational instruction on the golf course. This unique class format allows you to form groups with friends and to meet at times that work best for all members of the group. In my experience, these types of instructional programs have been very popular.

The cost of enrollment is \$190.00 per person.

The second instructional plan would consist of a **SERIES OF 3 ONE HOUR INDIVIDUAL LESSONS**.

The hour lessons can take place on the practice area, putting green and the golf course. *Limited offering: **MUST** purchase package by June 1, 2022.*

The cost of enrollment is \$250.00.

If you have a specific request please don't hesitate to let me know. If you have a group or you are an individual and you are interested, contact us or return this form to the golf shop. I look forward to working with you.

Sincerely,

Sean P. Callanan, PGA Head Teaching Professional
